

PROJECT STATUS REPORT

Project Name ENSE871_Project

For Week Ending February 16, 2024

Project Status Green

Status Description * We successfully provide the Figma Prototype design to our clients.
* Based on clients' feedback, we started to plan our next week's activity.

Activities—During the Past Week

- Drashti: Worked on the event page prototype in Figma
- Sara: Worked on the Sign In / Sign Up and User Profile page prototype in Figma
- Jay: Worked on Search Page prototype in Figma
- Purvesh: Worked on Community Page prototype in Figma
- Client: Gave their feedback on the prototypes. comments on their priority pages.

Activities—Planned for Next Week

- All four team members will start learning wordpress.
- We are thinking of restructuring our final site map for better and easy navigation on website.

Project Issues

- No Issues

Project Changes

- No Changes
