PROJECT STATUS REPORT

Project Name	ENSE871_Project
For Week Ending	February 23, 2024
Project Status	Yellow
Status Description	● Team members (Drashti, Sara and Purvesh) having trouble learning wordpress.

Activities—During the Past Week

- All team members started with learning wordpress.
- We are using Wordpress on a local machine for learning and testing.
- Team Members (Drashti, Jay) setting up the Wordpress environment for the team. Exploring different themes and plugins might be useful for developing the website.
- Team Members (Sara, Purvesh) working on page design and logo so we can provide what we promised to our client.

Activities—Planned for Next Week

- Need more time to explore and learn Wordpress.
- Start to design the landing page and Sign In / Sign Up pages.
- Revisit our USM and update accordingly.
